Abbeyfield House

*The Abbeyfield Promise:*

# We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

# Abbeyfield Residential Care

Our Care Home is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

*Abbeyfield House is not just a  
Care Home, it is a home that cares.*

Delicious, daily home-cooked meals and everyday housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and a beautiful garden to relax in.

# Welcome to Abbeyfield House

Privately set back on an affluent residential lane, our Abbeyfield house is located just a mile from Bramhall village centre.

At Abbeyfield House we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

*The Abbeyfield Society has more than 60 years' experience in providing support to older people*

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why our Abbeyfield house is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. This is why we have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

## Please do get in touch

Whether you're considering Abbeyfield for yourself or a family member, whether you've just started exploring options or are ready to take the next step, we are here to talk.
