Abbeyfield House

Sheltered Housing in Ivybridge

Welcome to Abbeyfield House

The house was purpose built in 1968 after land was donated to the society by Miss Violet Hamlyn, with the second building being added in the early 1980s. The houses were later linked by a glass corridor making one large home.

At Abbeyfield we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Delicious, daily home-cooked meals and communal area housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

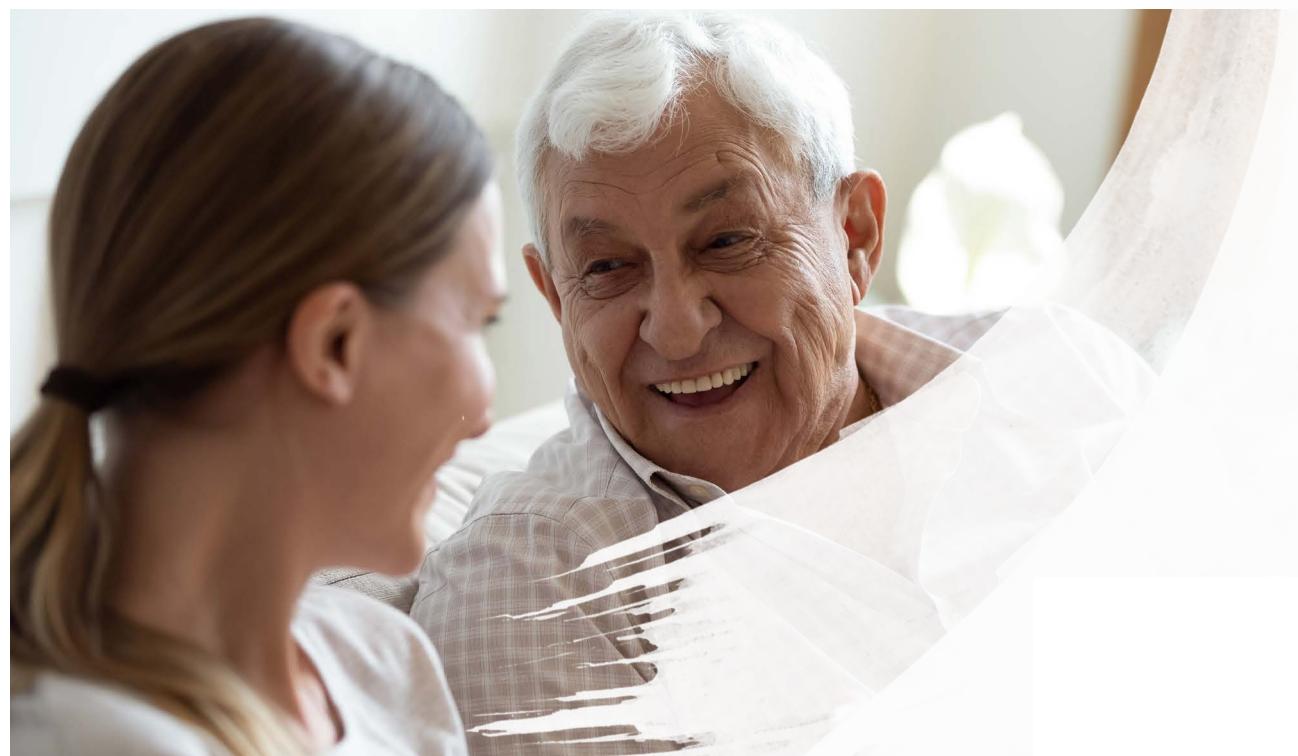

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and a beautiful garden to relax in.

Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

There are 14 comfortable one-bedroom studios, mostly with en-suite, along with a one bedroom flat and a two bedroom bungalow. Completing our home are communal dining and living room as well as a games room and a large garden for you to enjoy at your leisure. Abbeyfield House is very sociable so company is always available when you want it.

Each house has an individual approach to catering for their residents, with menus being tailored to dietary needs and special events. But we always offer plenty of choices, including vegetarian options, and great portion sizes!

Meal time at an Abbeyfield is also important as it's when the whole house gets together - a time to have a chat enjoying great food and great company.

Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Abbeyfield House.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield Sheltered House sets us apart from other providers.”
