

Halcyon House

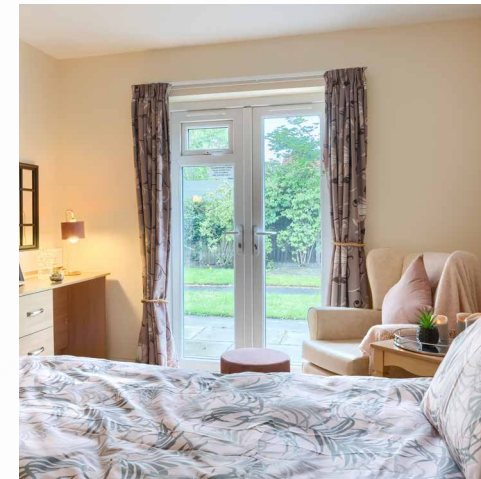

Nursing and Residential care in Formby

Welcome to Halcyon House

Halcyon House was purpose built in 1992 and is beautiful, bright and spacious with a lovely central courtyard. Together with our team of staff and volunteers we try to make Halcyon House a warm welcoming, happy and sociable environment providing high standards of care.

Our Residential Care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it. Halcyon House is dual registered so our nursing team can help residents easily make the transition from residential to nursing care.

“I’m still part of my local community and have a whole new one at the same time.”

Your home, your way

You will have your own en-suite room; all rooms have been tastefully decorated and have french doors opening out into the garden, providing a bright and airy environment. How you personalise your room is entirely up to you – your space, your home.

There are several comfortable shared social spaces for you to enjoy a cup of tea and a newspaper at leisure should you wish. Halcyon House is surrounded by well maintained gardens and encloses a secluded courtyard garden where you can enjoy fine weather in the summer months. The courtyard is also the setting for regular outdoor events and entertainments. A hairdresser attends frequently and volunteers operate a mobile shop selling a variety of items which are in regular demand.

Time well spent

We have a fantastic team of kind and compassionate highly trained staff and volunteers, all of whom are dedicated to making your life as enjoyable and worry-free as possible.

Not only do they help ensure the safe and smooth running of our home, they also play an important part in making them friendly and enjoyable places to live.

Though your time is always your own to spend how you wish, our Activity Coordinators provide personalised activity programmes – such as film shows, craft sessions, choral/ music performances, regular coffee mornings and seasonal fairs.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Halcyon House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Halcyon House.

“Halcyon House isn't just a care home, it's a home that cares.”

The Abbeyfield Promise:

We make time so you can enjoy life

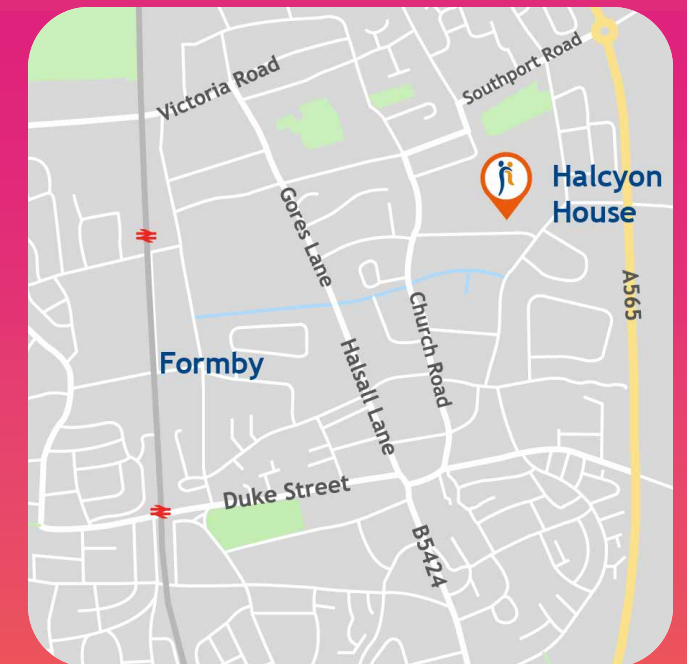

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.
