Social media is a great way to share your celebrations. If you use social media we would love you to share your photos and videos through your own accounts.

If you tag the Abbeyfield handle (see the icons above) we'll be able to see what you're up to and share the best ones with our followers too.

Keep in mind that social media is a public forum – the post can be seen by anyone so please don't post photos or videos without permission from those featured, share anything that could make someone view Abbeyfield negatively, or post anything offensive.

We'd also love you to send your photos to us at marketing@abbeyfield.com or on WhatsApp to **07990 757561** – we are always looking for good quality photos from across the whole Abbeyfield family to share on our social media channels.

For more guidance, please refer to the **Social Media policy** on Connect.

Remember to use the **#AbbeyfieldWeek** hashtag
