

Easter Treasure Hunt

How about celebrating Easter by organising an egg-citing treasure hunt for your family? We've created some cards to help you out!

1

Print off and cut out the cards

2

Fill in the cards with clues to locations in the house or gardens – use one of your family member's favourite spots as a clue, like in the example!

3

Hide your clues linking your chosen locations

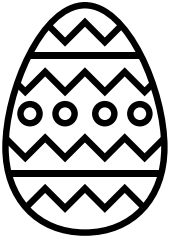

4

Gather your family and the first one (or group) to find the most clues win a prize!

Happy Easter!
