

Residential care home in Wimbledon

# Lee House

## The Abbeyfield Promise:

# We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

## Abbeyfield residential care

Our residential care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

We offer relaxed, inviting environments designed to offer comfort, security, friendship and a high level of personal time and care.

We ensure to tailor your care plans to your needs, with the help of your friends, family or any others involved in your care. Daily support such as washing, dressing and medication support will be provided, and all meals are taken care of with a nutritious and varied menu.

*“The staff and volunteers are so friendly, there’s always someone to have a natter with.”*

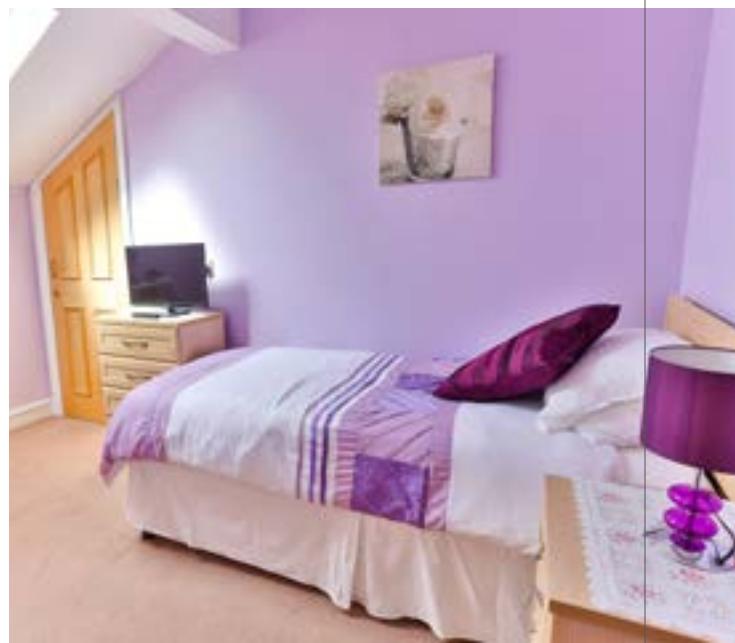

## Welcome to Lee House

Set on a quiet private road, Lee House is located in the heart of the leafy suburb of South West London, close to Wimbledon Common, providing care and accommodation for residents on both a long and short term stay basis.

Delicious daily home-cooked meals and everyday housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and quiet rooms, and a beautiful, well-maintained garden to relax in.

## Your home, your way

At Lee House, we have 27 en-suite bedrooms many of which have a balcony or patio doors which look out onto our beautiful garden. We pride ourselves on being a home away from home, with a very cosy atmosphere and friendly caring staff, who are available 24 hours a day.

We have clean, bright decor throughout and ensure the home is always kept meticulously clean thanks to our very friendly domestic and maintenance staff.

We understand that moving to Lee House can be a big lifestyle change, and our dedicated team are always here to help support you and your family. We encourage individuals to bring in personal items such as furniture, pictures and decorations, to make the room as unique and individual as you are.

*Lee House isn't just a care home,  
it's a home that cares*

## Time well spent

Lee House is a thriving community. Our fantastic team of kind, compassionate and highly trained staff and volunteers not only ensure the safe and smooth running of the home, they also help make it a friendly, enjoyable place to live.

Though your time is always your own, our team create personalised activity programmes for you to enjoy, such as:

- Visits from a range of entertainers, including musicians and dancers
- Arts and crafts
- Gentle exercise sessions
- Gardening
- Visits to local attractions, such as Wimbledon theatre and Kew Gardens

Our activities team will really get to know you, find out your interests and hobbies and help you to pursue them within the home.

One-to-one time is also available with our activities team to provide the support you need from booking a salon appointment to simply sitting down for a cup of tea and a chat.

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

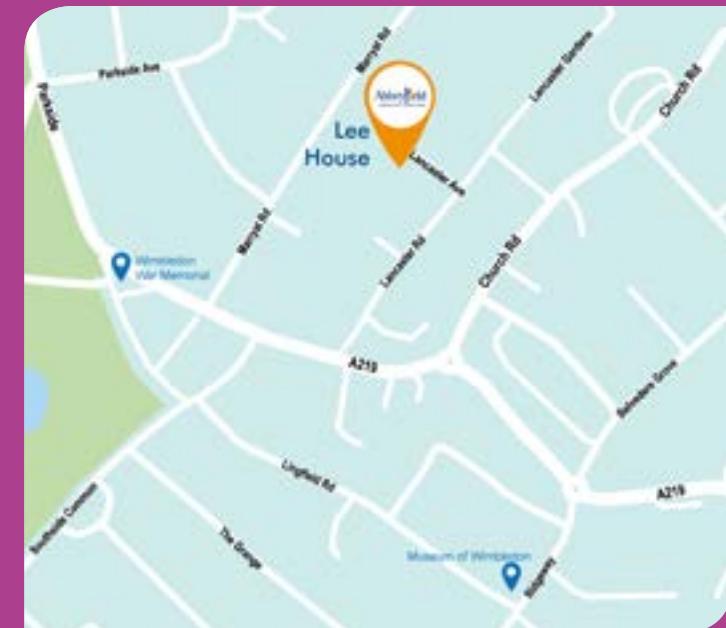

This is why Lee House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at the home.

## Your community

Lee House is located in the heart of Wimbledon, close to the vast and beautiful Wimbledon Common.

Many accessible amenities are just a short distance from the house on the main high street, such as eateries, a garden centre and a variety of shops. There are excellent transport links by bus and nearby Wimbledon train station serving surrounding areas of London and further afield.
