Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment - which is a big part of your Abbeyfield experience.

"I am very happy to be here in a comfortable house with lovely surroundings."

Abbeyfield features

Built in 1920, our house was once a vicarage and many of the beautiful features from the era are still present. We have 11 cosy and comfortable unfurnished rooms to allow you to personalise it to your taste and make it feel like a home from home. All of our rooms are en-suite and have kitchenettes so that you can make your breakfast at your own pace for a gentle start to the day.

Spend time getting to know other residents in our lovely south-facing lounge, which overlooks our pretty well maintained garden, the perfect place to while away warm days, take in the fresh air and sunshine, and catch up with friends and family. We provide two delicious home cooked meals a day, served in the communal dining room meaning you can sit, chat and eat with other residents.

Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Our dedicated staff team will support you to make the most of your retirement at Abbeyfield by sign-posting you to the wide variety of activities Abbeyfield House has to offer.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

"These aspects of life at Abbeyfield House sets us apart from other providers."
