The Firs Nursing Home

The Abbeyfield Promise:

We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

Abbeyfield Nursing Care

Our Care Home is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

*The Firs is not just a Care Home,
it is a home that cares.*

Delicious, daily home-cooked meals and everyday housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and personalised activities.

Welcome to The Firs Nursing Home

Situated in the vibrant city of Nottingham, our Abbeyfield house is conveniently located just a short distance from local amenities and a bustling high street.

At The Firs Nursing Home we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why our Abbeyfield house is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. This is why we have regular resident and family meetings, so we can get feedback on how we can improve our service at The Firs.

Time well spent

The Firs Nursing Home is a place where you can enjoy comfort, security and friendship. We are blessed with a fantastic team of kind and compassionate highly trained staff and volunteers, all of whom are dedicated to making your life as enjoyable and worry-free as possible.

Not only do they help ensure the safe and smooth running of our home, they also play an important part in making them friendly and enjoyable places to live.

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunities to get involved in activities and entertainment – which is a big part of life in our houses.

The Abbeyfield Society has more than 60 years' experience in providing support to older people

Your community

The Firs Nursing Home is a purpose-built care home located in Sherwood, a district and ward of the city of Nottingham.

Just a short walk down the road will bring you to the impressive Woodthorpe Grange Park, which features Wildlife and Conservation areas, formal gardens and a café.

There are many bus stops located nearby with regular access to the town centre shops, restaurants and social centre.
