Life at the house

Built in 1855 by the Crossley Family and renovated more recently in 1984, Sir Francis Crossley Almshouses are situated on Margaret Street, Halifax, a very short walk away from People's Park. Access to the town centre is easily accessible with transport links yards away, along with shops and a post office close by.

Almshouses are set up to provide affordable accommodation for people in the local area, targeting the over 55's and the aim is to support the continued independence of our residents.

Our 21 flats combine the freedom of living in your own self-contained, spacious home and include a living/dining space, kitchen, and separate bathroom with either 1-bedroom or 2-bedrooms.

Making time for older people underpins everything we do at Abbeyfield The Dales Ltd.

Time to enjoy older age

You are also part of the wider Abbeyfield family, along with the companionship and friendship of your neighbours, we encourage you to come and visit us at other sites where you can enjoy the facilities we have to offer. Some of our larger sites have spa facilities and hairdressers, or maybe join us for one of our coffee mornings. There are plenty of activities and events for you to enjoy, all you have to do is show up and join in the fun, but it's always your choice to get involved, with your independence and choice always being respected. Check your notice boards for forthcoming events.

Once you see for yourself what living with Abbeyfield can bring to your life, you may well wish you had made the move years ago.
