Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

The house was built in 1980 and consists of 10 ensuite rooms and two flats. The house is ideally located close to the Lake District which is a stunning tourist location flourishing with nature and wildlife.

Abbeyfield House is a very friendly and welcoming house and each day is different as there is always a lot happening here. We allow pets in the house should you wish to bring a little companion with you, we find that residents enjoy spending time with animals so this is something we like to support.

We have a local beautician who attends monthly to carry out treatments such as manicures and pedicures. A hairdresser attends every Wednesday and the local chiropodist visits every few weeks.

Your retirement

When you live with us you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Abbeyfield House.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield Sheltered House sets us apart from other providers.”
